

GANDHIAN PHILOSOPHY OF SUSTAINABILITY

By
Dr. Mamta Tomar
Assistant Professor
Dronacharya Group Of Institutions
Greater Noida

Neither Saint Nor Sinner

Like a scientist, he experimented about some 'of the eternal verities' of life.

Policy Of Truth

I have no policy in me save the policy of truth and ahimsa. I will not sacrifice and ahimsa even for the deliverance of my country or religion.

No Ascetic

The life I am living is entirely very easy and very comfortable. If ease and comfort area mental state, I have all I need. Mine is a life full of joy in the midst of incessant work.

Faith In Right

I remain an optimist, not that there is an evidence that I can give that right is going to prosper, but because of my unflinching faith that right must prosper in the end.

Shedding The Ego

A seeker after truth can not afford to be an egotist. I must reduce myself to zero.

Little Book Knowledge

The limited reading maybe said to have enabled me thoroughly to digest what I did read.

Service Of The Poor

For me the road to salvation lies through incessant toil in the service of my country and there through of humanity.

Practical Dreamer

I believe in absolute oneness of God and, therefore, of humanity. What though we have many bodies? We have but one soul.

My Fallibility

I claim to be a simple individual liable to err like any other fellow – mortal. Having immovable faith in God and His goodness, and inconsumable passion for truth and love. But, is that not every person has latent in him.

Kinship With All

I am too conscious of the imperfections of our species. My remedy is to deal with the wrong wherever I see it, not to hurt the wrongdoer.

Regard For Opponents

Difference of opinion should never mean hostility. If they did, my wife and I should be sworn enemies one another.

No Mahatma

My so called greatness depends upon the incessant toil and drudgery of silent, devoted, able and pure workers, men as well as women.

Sick Of Adoration

Adoration unnecessarily humiliates me, for I have to confess that I do not deserve them.

True Honor

Highest honor to me is to enforce or resist the programme I stand for. It will be a waste of good money on erecting a clay or metallic statue of a fragile being.

Readiness For Martyrdom

I am not aching for martyrdom. Do not seek to protect me. The Most High is always there to protect us all.

Avoidance Of Anger

It is a habit everyone must cultivate.

Trust

I believe in trusting. Trust begets trust.

No Gandhian Sect

Gandhism is another name for Sectarianism
it deserves to be destroyed.

End And Means

Ends and means are convertible terms in my philosophy of life.

Ramayana Of Tulsidas

Ramayana of Tulsidas takes foremost place
in my life.

Mother Gita

The Gita distinguished between the powers of light and darkness and demonstrates their incompatibility. It is my eternal Mother.

Way Of The Buddha, Religion And Politics

One's everyday life is never capable of being separated from one's spiritual being.

Religion means a belief in ordered moral government of the universe. This religion transcends Hinduism, Islam, Christianity, etc.

Truth And Non - Violence

It is the ancient law of India for self-sacrifice.

- **Noble Warrior**
- **Righteous Duty Of Warrior**
- **Non – Violence**
- **Union With Joy Of Spirit**
- **Mental Equilibrium / Evenness**
- **Ends And Means**
- **True Renunsciant**
- **Ego**
- **Divinely Ordained Duty In Life**
- **To Attein Brahman / God**

Discerning One's Divinely Ordained Duty In Life

**In Truth Do I Promise Thee
Thou Shalt Attain Me**

Authentic Applicability And Relevance Of Gandhian Philosophy Of Sustainability
